## Drinking and Shooting

Just a reminder.....No one will be allowed to shoot after the consumption of alcohol. This stipulation is just common sense, but we continue to experience incidents of shooters drinking between rounds.

All club members are requested to honor and help enforce this rule.

## Membership Cards

Remember; please provide your membership card when purchasing supplies or tokens in our Pro Shop.

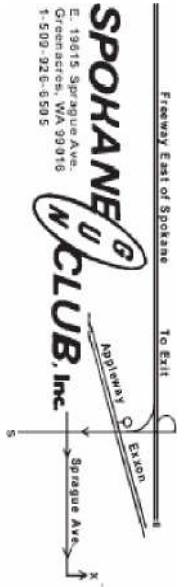

## E-Mail Information

The Board of Directors would like to be in contact with our membership a lot more regularly. So we would like everyone to take the time to e-mail us at:

[spokanegunclub@msn.com](mailto:spokanegunclub@msn.com).

This is our club e-mail, and the easiest way to get in touch with us.

## Presidents Message

Our Winter League for 2009 has begun and it should be a fun time for all the shooters. Our Pro Shop can help if you need shells or lead.

Our Board of Directors continue to put in long hours on projects around the club;  
a) trap fields 1-6 had coin operations added,  
b) in excess of 60,000 lbs. of reclaimed lead has been bagged and sold,  
c) the men's restroom was completely gutted and the rebuild is nearly complete.

These projects take time, energy and a giving spirit from our Board of Directors and people like Wally Sharpe and Bill Johnson. Take a moment to say, "Thank-You."

Also, a special thanks to our caretaker, Bill Bland, the snow plowing on the fields, parking areas and driveways during December was especially difficult.

Bill Whalen  
President  
Spokane Gun Club

## New Shooting Fees

Non-Members - \$6.00 per round

## Dates to Remember

January 4 – Winter League Begins  
February 7 – Blanket Shoot (ATA Targets)  
March 8 – Winter League End and Banquet  
March 14 – Spokesman Review Champion of Champions  
March 15 – ATA Targets

## Winter League Begins

The snow delayed annual Winter League began Sunday January 11 and runs through

Sunday March 8. The Winter League Banquet will be held on March 8. Shooters are encouraged to make up the Sunday January 4 date. You can make the date up on any Wednesday or Saturday. If you choose not to make up the January 4 shooting day, that date will be used as one of the two low scores that are thrown out.

All fields will have coin boxes on them this year. You must buy your tokens before you try to shoot each day.

Remember, you need to have your 2009 dues paid to be a part of the league.

Junior Shooters...The Northwest Sportsman Club will furnish your tokens for those events you shoot in the Winter League up to a total of 2 tokens. You must be signed up for and shoot each event for which you receive a token. Thank you Northwest Sportsman Club for your generous support of our young shooters!

Winter League rules are posted in the club house.

## Men's Restroom Remodel

The remodel project of the men's restroom is nearing completion. Thanks to Wally Sharpe for his demolition and construction efforts. Wally also worked with the outside electrical and plumbing contractors where needed.
