Drinking and Shooting

No one is allowed to shoot after the consumption of alcohol. This stipulation is just common sense, but we continue to experience incidents of guest shooters drinking between rounds. All club members are requested to honor and help enforce this rule.

Practice Gun Safety!!

Muzzle control, open actions unless you are at the station and ready to fire. No loaded guns on premises unless you are at the line and it is your turn to shoot. Club members are asked to remind visitors of the rules.

Membership Cards

Remember; please provide your membership card when purchasing supplies or tokens in our Pro Shop.

E-Mail Information

The Board of Directors would like to be in contact with our membership a lot more regularly. So we would like everyone to take the time to e-mail us at:

spokanegunclub@msn.com.

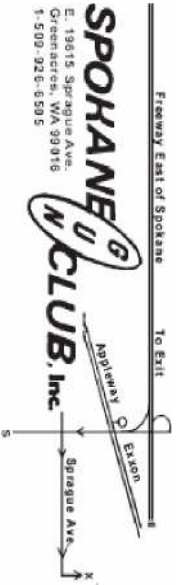

This is our club e-mail, and the easiest way to get in touch with us.

Visit the club web-site at

\$20.00 per bag (tax included)

Presidents Message

With the arrival of Spring our shooting season gets under way with the Northwest Grand scheduled for April 4 and 5. The Inland Empire Shoot is scheduled for May 13-17; the Spokane Gun Club is looking for a group to act as scorers for the Inland shoot. If you know of a club or organization interested in making some money, let us know.

Our lead shot is still available at the pro shop for \$ 20.00 a bag which includes the sales tax.

At our recent Winter League banquet several people were honored for their contributions to the SGC: Lynn Reynolds, Wally Sharp, John Westerman, Noel Walter and Paul Schultz. Take time to thank these people when you see them

Bill Whalen, President

Thank You!!

Wally Sharpe – For completing the renovation of the Men’s Restroom, Noel Walters – For assisting Wally, Lynn Reynolds – For your major contributions to the completion of the new coin boxes on traps 1 through 6, the railing on the west handicap ramp, and for the loan of the fork lift in the warehouse, John Westerman – For your oversight of the grants enabling the club to upgrade facilities, Paul Schultz – For coordinating the banquet food and flowers.
